

Your Best Choice in TSA.

NTEU is . . .

- the only union with a five-point plan designed for effective and aggressive representation of TSA employees, including fighting for **collective bargaining rights** and expanded whistleblower protections, moving TSA employees to the General Schedule pay system, improvements to training, recertification and scheduling.
- the union that secured improvements to PASS, revisions to the certification process and the temporary elimination of SOP tests—and successfully reversed PASS-related proposed removals.
- the best union to help you fight disputed AWS, disciplinary actions, work schedules and performance appraisals.
- the only union that represents DHS Customs and Border Protection Officers at airports nationwide.
- the only union with a staff of full-time, experienced attorneys and labor relations experts around the country looking out for your rights.
- the only union with two full-time lobbyists devoted solely to working with Congress on DHS issues.
